DETAILED ACTION

It is to be noted that the Petition filed on July 27, 2009 has been dismissed in view of the Petition Decision dated April 23, 2010. Accordingly, the Supplemental Reissue Declaration submitted with the Petition on July 27, 2009 is not accepted for the reasons noted on pages 5 and 6 of the Petition Decision dated April 23, 2010.

Reissue Applications

The reissue oath/declaration filed with this application is defective (see 37 CFR 1.175 and MPEP § 1414) because of the following: The specific changes/amendments to the claims must also be identified in detail in the declaration, in addition to the errors in the original claims. It is to be noted that the error is not recited in terms of what is wrong with the patent claims. It has to be recited as to what the error is with the patent, not what is being done to correct it.

Claims 1-138 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

In accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) must be received before this reissue application can be allowed.

The nature of the defect(s) in the reissue declaration is set forth in the discussion above in this Office action.

Response to Arguments

Applicants' arguments filed in the Remarks of the Response dated April 27, 2009, July 27, 2009, and July 30, 2009 have been fully considered but they are not persuasive. Contrary to Applicant's arguments, the Supplemental Reissue Declaration filed on July 27, 2009 and filed on July 30, 2009 is defective for the reasons noted supra.
